

Confidently navigate
global expansion with our
Compliance Assessment
service

info@mauvegroup.com | www.mauvegroup.com

Today's global work landscape is more dynamic than ever.

International organisations have challenges in HR, compliance, contracts, tax, and legal to consider – all while making daily operational decisions. These critical areas require bold strategies that can only come from extensive expertise. That's where we come in.

At Mauve Group, every global business expansion journey starts with identifying risks and opportunities. Our network of experts worldwide is ready to act as an extension of your team and work collaboratively via our Consultancy services. Together, we'll help to unlock overseas growth opportunities for your business.

Our Compliance Assessment service means you can:

How it works

Simply speak to our team of experts about our Compliance Assessment service and agree to the following:

In-depth Analysis

Our reports delve deep into the details of your scenario, assessing it at every level and advising the best routes to complete compliance.

Save Time

Our team of experts will assess, report, and advise on your situation, saving you valuable time and resources.

Alternative Suggestions

Once we have examined your specific circumstances, our team of experts will provide suggestions on alternative ways of working.

Compliance Assessments

Standard fee

1200 USD for the first 6 hours research and reporting

Additional hours

Each hour thereafter charged at 200 USD/hour.

Payment terms

Advance payment with balance of hours to be invoiced upon delivery of the report.

*Information required will depend on the situation and will be advised by email.
