Staffing - In partnership with approved recruitment agencies, Mauve can assist with sourcing the best local professional talent to staff your expanding business.

Salary Benchmarking - Mauve recognises that development of a competitive and incentivising employee salary and total rewards package is vital to entice the best candidates and maintain a reputation as an attractive employer. We offer different levels of salary benchmarking from a generalised salary guide for a specified job title to a full review of your global approach to salary and benefit packages.

International Brand Checking - during the global expansion process, we can assist by checking that your brand name, company logos, packaging and marketing is relevant and does not have negative connotations in your new target market.

Relocation Services - Whether your need involves transporting personal belonging to a new location or arranging accommodation, utility connections and local council/ state or province registration, Mauve Group's carefully selected, highly recommended relocation companies can offer advice, support and pricing for the physical relocation of your employee or contractor.

Destination Services - Mauve Group's partners support your employee in-country to ease the potentially daunting experience of relocating. The destination services we offer include but are not limited to transfers, short and long term accommodation search, office space search, local area induction, school search, travel services, car hire, bank account set-up, local contact directory and departure services.

Safety, Security and Medical Assistance - whether tracking your staff across the globe, assisting in times of crisis or providing rapid medical assistance internationally, Mauve and its global partner network will ensure your staff are safe and secure in their country of assignment. Please note, Safety, Security and Medical Assistance can only be offered as a supplementary service to our EoR Solution.

Cultural Awareness - Help your employee assimilate into their personal and professional surroundings, learn local customs and practices and build relationships across multicultural teams by engaging in a cultural awareness programme. Our partners can assist across our extensive network.

Translation - Any company looking to expand into a new market should consider tailoring their written output to local languages and context. Mauve can assist with the translation of documents into the language of your choosing.

Banking/Finance/Currency Exchange - Mauve and our partners can support with local bank account set-up, tax planning, currency exchange and evaluation amongst many other financial- related services to ensure your employee is comfortable and compliant in-country.

Background Checks - Depending on laws in the country of work, Mauve can offer a variety of checks including the fiscal, employment, identity and education background of the worker. Please note, Background Checks can only be offered as a supplementary service to our EoR Solution.

Document Services - Mauve can support with passports, births, deaths and marriage registrations in many countries. We are also able to offer document management, storage, translation and legalisation services.
